September is a wonderful month, but it is also a month of changes. The weather will be changing, it is still hot, but the cooler weather is on the way, the leaves will begin to change in the next few weeks and there will be some changes in our church. Just as sure as summer will change into fall there will always be changes that occur around us. Let's dedicate our hearts to growth and keeping within the will of God and ask Him to open our own lives to new challenges and opportunities. In the Christian faith we are all about change, change of hearts and lives.

The changes in our lives sometimes come quickly and unexpectedly. The 17th anniversary of the September 11th tragedy reminds us of that. It is of vital importance that we trust in the love of a Savior that has given His very best to save us. This fall will bring Labor Day, Grandparents Day, our Revival services, Homecoming, and other wonderful programs. Oct. 4th-7th we will have our biennial trip to Cragmont and I ask you to be in prayer for me as I will be conducting Revival at Gum Swamp FWB Church in Belvoir, September 24th-26th. Also Rev. Don Fader will be with us on September 16th in our night service to share with us about the Minister's Program that he is the director of. We will be very busy, so let's see what God can do within each of us. Keep giving and keep the love of Christ showing in your heart every day. We cannot meet our obligations if we all think someone else is going to give.

We will be starting up our Discovery group for our younger children again and that can help us get back into the fall routine. Let us embrace the changes that occur and with the grace of our Lord learn from them to make our life and the lives of those around us better. My prayer for our church is that we will continue to move forward embracing the changes that are necessary and growing in our faith with each new challenge that comes our way.

In His Service,  
Phillip Boykin, Pastor  
Remember, II Corinthians 5:17

Grandparents Day

September 9th is Grandparents Day.

## Youth News

I hope everyone is doing well and that our students have settled in to a new year of school. This September we will be starting our Wednesday Night Discovery Group once again. We are changing the curriculum and creating something from scratch. This new program will travel through the bible chronologically starting with the book of Genesis. Each month we will shift from a focus on the Old Testament to the New Testament. I will still be leading the Wednesday Night Discovery Group on the last Wednesday service of each month. On that Wednesday we will be creating a gameshow like atmosphere where the students will compete with the bible knowledge that they learned each month. Prizes will be given out on the last Wednesday as well. We are looking forward to this revamp as to reinvigorate our youth programs and make our students excited for our programs. Our teens will also be having worship on a more consistent basis as we look to expand our youth program with live music. These changes will hopefully create more spiritual and numerical growth inside of our programs. We look forward to seeing everyone.

Blessings,  
James Wiggins
